A Word From the Market:

The mission of the Moscow Food Co-op's Mid-week Organic Grower's Market is to provide our community with healthy choices by facilitating a direct connection between our local organic growers and the Palouse Community. We are looking for new organic growers. Please feel free to call us for more information about being a vendor at our market. Thanks!

About the Market:

- Established 2002
- Approximately 4 vendors: 100% produce
- No crafts allowed
- No value added products allowed
- 100% Farmer grown & sold
- Local products: 50 mile radius
- CSA drop off location

Selling at Market:

- Annual fee: \$75
- Walk on fee: \$5 or 10% of gross sales
- Latah County Health rules compliance required
- All produce must be certified or licensed organically grown
- No reserved spaces, first come first choice

Produce Offered:

- Eggs
- Flowers
- Fresh fruit & veggies

Market Management:

- Volunteer market manager with compensation
- Advisory Board Co-op staff
